Appl. No. : 10/083,588
Filed : February 27th 2002
Title : An improved wire bonding capillary
Grp./A.U. : 1725
Examiner : Jonathan Johnson
Docket No. : 2069/3

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

RESPONSE

Sir:

This is in response to the United States Patent and Trademark Office Action mailed March 25th 2003, which response is being made on or before June 26th, 2003 and for which no extension fees are due. Please accept the above-identified application, which was changed as follows:

In the Information Disclosure Citation of the Application

Pursuant to a telephone conversation between Examiner Johnson and a representative of the offices of Dr. Mark Friedman Ltd, the Examiner has informed that due to the fact that this application is claiming priority from US Application 09/534,970 and an Information Disclosure Statement was filed in respect of the Priority application, there is no requirement to supply duplicate copies of the references and patents listed in the current Information Disclosure Statement filed on 8-13-02.
